8.4 Include below a description of each facility above, including the lender, interest rate and whether it is secured or unsecured. If any additional facilities have been entered into or are proposed to be entered into after quarter end, include details of those facilities as well.		

The convertible loan facility from sophisticated investors is for 12 months (to 9 July 2018) with a 10% coupon payable quarterly in arrears in cash or Volt shares (at lenders election). The lenders can convert the facility into Volt shares at any time prior to maturity at a conversion price of \$0.05 per Volt share. Volt can prepay amounts owing under the facility at any time, provided always that Volt will be liable to pay balance of any interest which would otherwise have become payable if the facility was repaid on maturity. If the facility is repaid early by Volt, lenders will have a subscription right to acquire Volt shares at the conversion price at any time prior to the agreed maturity date (up to the maximum number of Volt shares which the lender would have been able to acquire if the lender converted amounts owing under the facility).

\$250,000 was repaid in cash on 9 July 2018 and \$140,000 has been mutually extended for ~3 months to 5 October 2018 on the same terms.

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
